

Imagine the middle box is your home, and try to picture your eight nearest neighbors. Let the eight surrounding boxes represent your neighbors' homes, and answer these three questions for each neighbor.

- a. Write the names of the people who live in the home.
- b. Write down some relevant information about each neighbor, some fact about him or her that you couldn't see from your doorway.
- c. Write down something you would only know after connecting with your neighbor.

Just then a lawyer stood up to test Jesus. "Teacher," he said, "what must I do to inherit eternal life?" He said to him, "What is written in the law? What do you read there?" He answered, "You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbor as yourself." And he said to him, "You have given the right answer; do this, and you will live."
